

# QUALITY POLICY

It is the established policy of AESSEAL Inc. to assemble, repair and stock hold mechanical seals to a consistent quality that fully complies with customer and statutory requirements.

AESSEAL Inc. is committed to the continual improvement and have established a Quality Management System which provides a framework for measuring and improvement of the Quality Management System based business on the International Standard for Quality Management System; ISO 9001. We have the following systems and procedures in place to support us in our aim of total customer satisfaction and continuous improvement throughout our business:

- Regular gathering and monitoring of customer feedback.
- A customer complaints procedure.
- Selection and performance monitoring of supplies against set criteria.
- Training and development of our Employees.
- Measurable Quality Objectives which reflect our business aims.
- Management Reviews of Audit results, Customer feedback and complaints.

The global AESSEAL over-riding philosophy is to give our customers such exceptional service that they need never consider alternative sources of supply.
